Data Modelling and Form Design

Title - Insurance Claim

Policyholder Form Design

The screenshot displays the 'Insurance Claim Management' application interface for designing a 'Policyholder' form. The top navigation bar includes a 'Done' button. The main workspace is divided into three sections:

- Basic Fields:** A sidebar on the left containing various field types: Name, Email, Address, Phone, Single Line, Multi Line, Number, Date, Time, Drop Down, Radio, Multi Select, and Checkbox.
- Form Design:** The central area shows a form structure with fields: 'Policyholder ID', 'Full Name' (highlighted with a blue dashed border), 'Email', 'Phone', and 'Address'. A blue cursor is positioned over the 'Full Name' field.
- Field Properties:** A panel on the right for configuring the selected 'Full Name' field. It includes:
 - Field name:** 'Full Name' (with a text input field).
 - Field link name:** 'Full_Name' (with a text input field).
 - Validation:** 'Mandatory' is checked; 'No duplicate values' is unchecked.
 - Initial value:** 'Initial value' (with a text input field).
 - Character maximum:** '255' (with a dropdown menu).
 - Data Privacy:** 'Contains personal data(P!!)' is unchecked.
 - Data Security:** 'Encrypt data' and 'Contains health info(ePHI)' are unchecked.
 - User Input (for mobile):** 'Enable' is unchecked; 'QR code' and 'Barcode' are also unchecked.

The bottom status bar shows 'Trial expires in 15 days', an 'Upgrade' button, and links for 'Get started faster!', 'Help', and a trash icon.
